

# MISSION 2000

**[www.nps.gov/tuma](http://www.nps.gov/tuma)**

Mission 2000 is a computer program that allows you to search mission records including burial records, baptisms, marriages and other events, in the area historically known as the Pimeria Alta (Southern Arizona and Sonora, Mexico). Over 24,00 names are listed and more records are added

## INSTRUCTIONS

- Although Mission 2000 is easy to use, it is better to request help at the Visitor Center for a ranger or a volunteer to show you how it works.

The screenshot shows the 'Mission 2000' search interface for Tumacácori National Historical Park. The header includes the park's name and the title 'Mission 2000 Searchable Spanish Mission Records'. Below this is a section titled 'Personal Information' with several input fields: Surname, Given Name, Title, Race or Tribe, Gender, and Order By. Each field has a placeholder text indicating what to enter. At the bottom of the form is a button labeled 'Search - Personal Information'.
